IN RE: Michelle Skaletski-Boyd

TO WHOM IT MAY CONCERN:

Michelle Skaletski-Boyd did an outstanding job in her presentation of "Celebrating Self" at the Montana Independent Bankers Convention held July, 2008. Michelle's upbeat seminar was inspiring to all the participants. She provided us with tools that we will use in our everyday life. Overall, the convention was a success, and Michelle had a large contribution to the outcome.

Sincerely,
